

*I can feel his Psycho
Power... everywhere.*

BISON!
Show
yourself!

*His power knows
I'm here.*

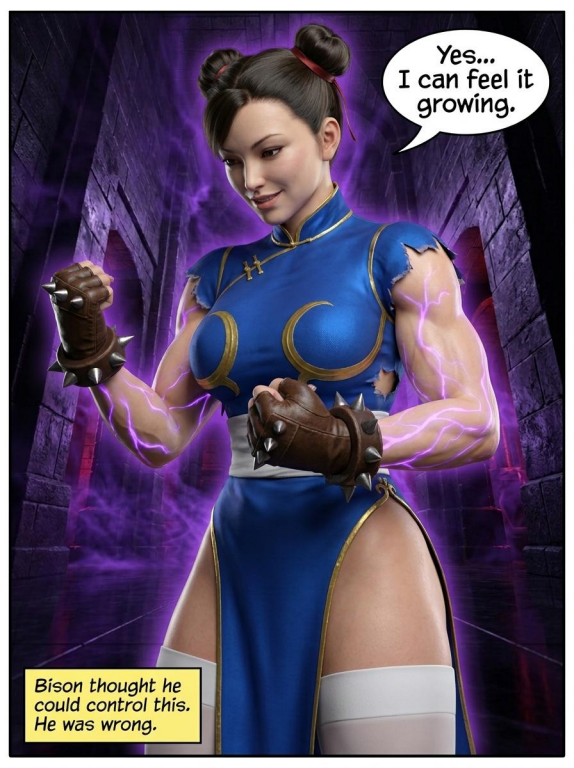

**Wait... it's...
reacting to
me.**

A close-up portrait of a woman with dark hair styled in two buns with red ribbons. She has glowing purple eyes and a red lightning bolt-shaped scar on her forehead. She is wearing a blue qipao with gold trim and traditional Chinese knot details. The background is a swirling purple pattern.

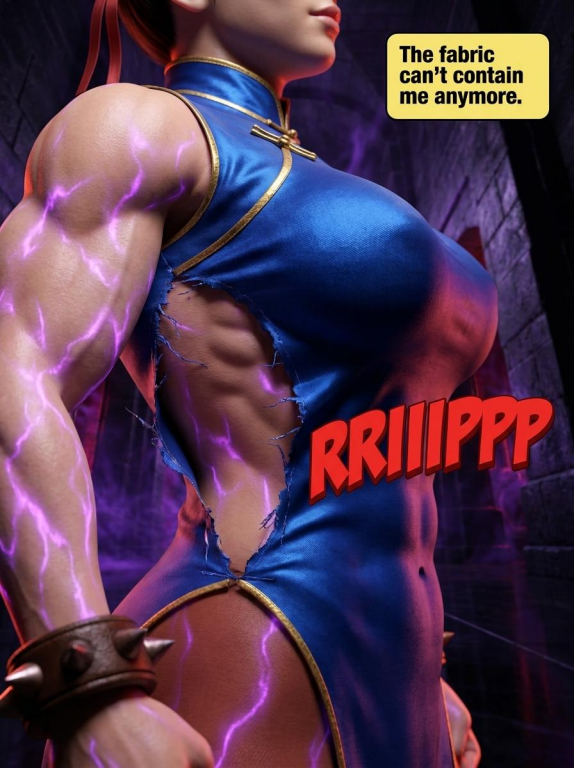

**I feel...
stronger.**

**My body...
it's changing.**

Yes...
I can feel it
growing.

Bison thought he
could control this.
He was wrong.

**The fabric
can't contain
me anymore.**

RRRIIPPP

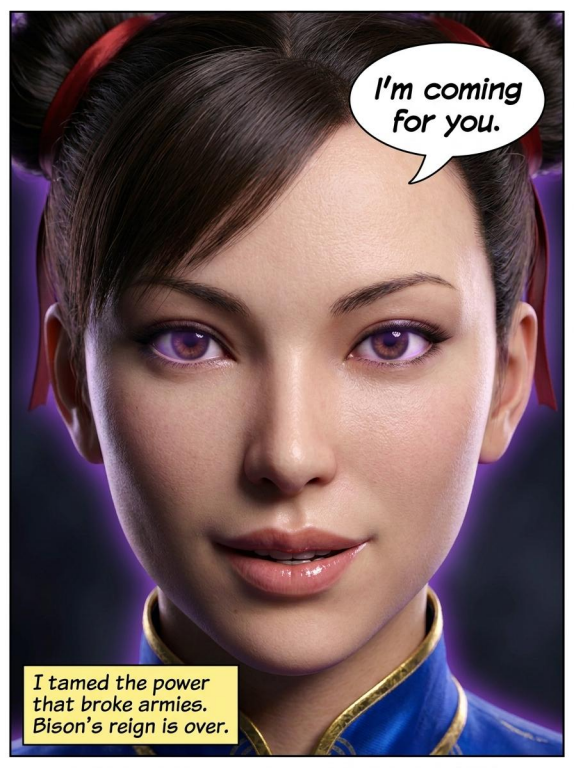

A new form...
for a new
power!

FOOSH

Bison...
you've made me
STRONGER than
you could have
imagined.

*His power.
Now mine.*

A close-up portrait of Chun-Li from the Street Fighter series. She has dark hair styled in two buns with red ribbons, and purple eyes. She is wearing a blue martial arts gi with a gold collar. The background is a dark purple gradient.

I'm coming
for you.

I tamed the power
that broke armies.
Bison's reign is over.

The Lightning Kick
will be the **LAST**
thing he sees.

*Spinning Bird
Kick is just the
warm-up now.*

For my father.

For everyone he hurt.
